

**OCCUPATIONAL THERAPY PROGRAM
COMMUNITY PRACTICE AGREEMENT**

EXAMPLE

The following objectives will be completed by SAMMY OT STUDENT at GOLDEN CHILD SERVICES
(Student's name) (Facility/Site)

during the Spring 2018 semester. The student is required to complete these objectives by **the end of the semester in May 2018**. The goal of the community practice course is for the student to advance their skills beyond a typical Level II fieldwork experience and incorporate a community component. Please list specific, measurable objectives that describe the community practice experience. You will use the objectives to grade the student upon completion of the community practice experience. (use additional pages if necessary)

OBJECTIVES:

- 2 credits (35-40 hours)
 3 credits (40-60 hours)

- Using peer-reviewed journals, summarize the evidence supporting the effectiveness of sensory rooms for clients with Autism by 2/1/18.
- Develop 5-10 sensory based programs that can be used in the sensory room to benefit the clients by 2/15/18.
- Create a list of materials that can be purchased and providing information on the most effective ways to organize the sensory room by 2/28/18.
- Produce a brochure with a summary of results from research, sensory based programs, list of materials to be purchased and information on organization of the room by 3/1/18.
- Student will attend at least 3 home visits and assist in the administration of Home Safety Self Assessment tool during each visit by 1/7/18.
- Student will assist in the documentation of (3) Home Safety Self -Assessments by 3/31/18.
- Student will complete a rough draft of the grant proposal and will review the draft with the clinical preceptor within six (6) weeks.
